Issues:

President Mitchell has not found out about GHA recognition by the university.

Vice President Sawyer does not have information about possible guest speakers. President Mitchell suggested an invitation Denver Brunsmann from Wayne State University to talk about British naval history. We will invite Dr. Berry to speak in February and Dr. Siegelbaum in April.

Jason Friedman reported through President Mitchell that the GHA has an annual budget of \$1,000.

Andrea Vincente has not received any responses in organizing brown bag lunch talks.

Lindsey Gish distributed sheets regarding the Third Annual Atlantic Workshop entitled, "The Four Corners of the Atlantic." University of Michigan and Michigan State University, May 4-5, 2007. The conference has received a budget of \$12,000. If one plans to present at this conference, one should consider who they want to hear their paper. The Atlantic workshop must extend invitations now so that guests may attend for free in May. If you have a paper that argues that the field of Atlantic History should not exist, then they are willing to form a panel to debate.

Secretary Wisti motioned for the meeting to be adjourned, Joe Genetin-Pilawa seconded the motion.
